

(Parents-Teacher Association)

• Parents and Teachers

Communication is essential to student success in classroom.

Research has shown that parental involvement is the most important factor in student's success in institution.

As a part of this communication teacher's discuss what is being done in college/institution and how the student is progressing.

In addition, conferences or Meeting may be needed to resolve concerns over a student's specific academic or behavioural

issues.

"Parent-Teacher association"
or Meeting is truly enriching
the students academic performance
as well as shaping their all
round development.

The general body of PTA meets
annually.

(Aim And Objectives of PTA Meeting of Trisha College)
